Revise these phonemes: *ow, ur, or, n, i*

Revise these tricky troll words: *do, like, so, when*

Task:

Play the 'snowball' game!

Get a grownup to read one of the sentences below. Listen for the 'oi' word. Write it on to a piece of paper and get the grownup to check it. If it is correct, scrunch it into a snowball and then throw it into a bucket or empty container. Once you have completed them all, take out the snowballs one by one and read them aloud.

Sentences:

I want to **join** in the fun.

My lunch was hidden in the **foil**.

My sister **boils** pasta in a pan.

I paid with a £1 **coin**.

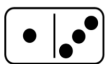

Today we are learning to compare numbers within 10.

Task: You can use the dice generator below.

Roll the dice. What number have you landed on? This will go in the middle.
For example, if you land on 4, the number 4 will go in the middle group.

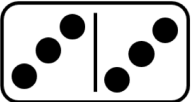

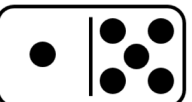

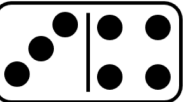

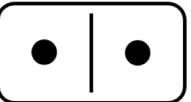

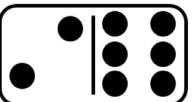

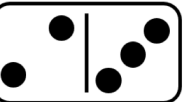

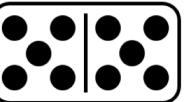

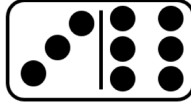

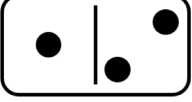

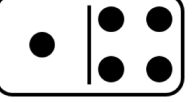

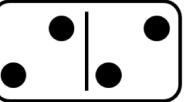

fewer	4	more
		

Then sort your dominoes into:

- dominoes that show 4
- dominoes that have fewer than 4 spots
- dominoes that have more than 4 spots
